Dear Securityholder:

Re: Annual Report of the Independent Review Committee to securityholders of the BMG BullionFund and BMG Gold BullionFund

As the 2014 chair of the Independent Review Committee ("**IRC**") for the BMG BullionFund, BMG Gold BullionFund (the "**BMG Funds**") and the BMG Gold Advantage Return BullionFund, which terminated on August 28, 2014 pursuant to a merger with the BMG Gold BullionFund upon the receipt of necessary regulatory and unitholder approvals (the "**Merger**"), I am pleased to provide you with the IRC's annual report. This report covers the period from January 1, 2014 to December 31, 2014, the financial year end of the funds (the "**Period**").

The IRC became operational on November 1, 2007 when the BMG BullionFund was formed, and is comprised of three members for each BMG Fund, all of whom are independent of the Manager, and its affiliates (as such term is defined under applicable securities legislation).

Mandate of the IRC

The IRC was formed pursuant to National Instrument 81-107 *Independent Review Committee for Investment Funds*, ("**NI 81-107**"). The Manager is required by NI 81-107 to identify potential conflicts of interest inherent in its management of the BMG Funds, develop written policies and procedures guiding its management of those conflicts, and request input from the IRC on those written policies and procedures. Pursuant to NI 81-107, the IRC is required to review all conflict of interest matters that are identified and referred to it by the Manager, and to give its approval or recommendation to the Manager, depending on the conflict of interest matter being considered. Conflicts generally arise when the interests of the Manager and those of the BMG Funds are not necessarily the same. If a conflict of interest matter is identified and referred to the IRC, the IRC's focus is to determine if the action proposed by the Manager achieves a fair and reasonable result for the applicable BMG Fund, or BMG Funds. For recurring conflicts of interest matters the IRC can provide the Manager with standing instructions that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, provided that the Manager deals with the conflicts in accordance with the standing instructions. IRC members have experience in a variety of areas, including mutual funds, investment management, financial institutions, law and accounting.

At least once a year, the IRC will also review and assess, among other things, the adequacy and effectiveness of the policies and procedures that the Manager has adopted with respect to conflict of interest matters that affect the BMG Funds, and will conduct a self-assessment of the IRC's independence, compensation and effectiveness.

Composition of the IRC

The current members of the IRC are as follows:

Name	Residence	First appointed
Mark MacDonald ¹	Toronto, Ontario	August 21, 2014
Bob Reeves	Toronto, Ontario	November 1, 2007
Chris Ward	Toronto, Ontario	November 1, 2007

None of the IRC members serve on the independent review committee for any other investment fund family.

During the Period, Tim Conway resigned from the IRC and the remaining members of the IRC appointed Mark MacDonald as his replacement on August 21, 2014. There were no other changes in the composition of the IRC during the Period.

Holdings of Securities by IRC members

(a) BMG Funds

As at December 31, 2014, the percentage of units of the BMG Funds beneficially owned, directly or indirectly, in aggregate, by all members of the IRC did not exceed 10%.

(b) Manager

As at December 31, 2014, no member of the IRC beneficially owned, directly or indirectly, any voting or equity securities of the Manager.

(c) Service providers

As at December 31, 2014, no member of the IRC beneficially owned, directly or indirectly, more than 0.1% of any voting or equity securities of any person or company that provides services to the BMG Funds, or the Manager.

IRC Compensation and Indemnities

The aggregate compensation paid by the BMG Funds and the terminated BMG Gold Advantage Return BullionFund to all of the members of the IRC for the Period was \$21,916.66. The amount was allocated among the funds.

¹ Chair of the IRC during 2014.

The Manager determined the initial compensation that was paid to each member of the IRC. At least annually, the IRC reviews its compensation, giving consideration to the following factors:

- (a) the best interests of the BMG Funds;
- (b) the nature, number and complexity of the BMG Funds;
- (c) the nature and extent of the workload of each member of the IRC, including the commitment of time and energy of each member;
- (d) industry best practices, including industry averages and surveys on compensation paid to independent review committees of Canadian investment funds;
- (e) the results of its annual assessment of compensation and effectiveness; and
- (f) the recommendations of the Manager for compensation payable to the IRC.

The BMG Funds and the Manager have also provided an indemnity to each IRC member for his services on the IRC in accordance with the requirements of NI 81-107. No amounts were paid to the IRC members by the BMG Funds or the Manager pursuant to these indemnities during the Period.

Conflict of Interest Matters

NI 81-107 requires the IRC to review all conflict of interest matters that are identified and referred to it by the Manager, and to give its approval or recommendation to the Manager, depending on the conflict of interest matter under consideration.

Other than as discussed below, there were no other conflict of interest matters that were referred to the IRC by the Manager during the Period. The IRC is not aware of any instance during the Period where the Manager acted in a conflict of interest matter but did not obtain the approval of the IRC.

Approval of the IRC

In addition to obtaining the necessary unitholder and regulatory approvals for the Merger, the Manager also relied on the approval of the IRC for the Merger, which in the IRC's opinion achieved a fair and reasonable result for the funds.

Compliance

The IRC is not aware of any instance when the Manager acted in a conflict of interest matter referred by the Manager to the IRC, but did not meet a condition imposed by the IRC in its recommendation or approval.

The IRC is not aware of any instance when the Manager acted in a conflict of interest matter referred by the Manager to the IRC for which the IRC did not give a positive recommendation.
